# 1. Introduction

In compliance with the provisions of section 288 of Act CCXXXVII of 2013 on Credit Institutions and Financial Enterprises, Barion Payment Inc. receives and handles complaints submitted to it in accordance with the following Complaints Handling Policy.

## 2. Options for submitting complaints:

If you have a complaint, you may submit it to our company verbally or in writing.

Complaints can be made **verbally** in two ways:

- in person at our office: Barion Payment Inc., H-1117 Budapest, Infopark sétány 1., V. emelet 5. ajtó, Monday to Friday between 8 AM and 4 PM.
- or over the phone, by calling us at +36 (1) 464-7099 on business days, between 8 AM and 4 PM on Mondays, Tuesdays, Thursdays and Fridays, and between 8 AM and 8 PM on Wednesdays. In the case of complaints made by telephone, we will answer your call and respond to your concerns within a reasonable time.

If you would like to submit a complaint in **writing**, you may do so in the following manners:

- by delivering the written complaint personally, or having it delivered, to our office: Barion Payment Inc., H-1117 Budapest, Infopark sétány 1., V. emelet 5. ajtó,
- or by post: Barion Payment Inc., H-1117 Budapest, Infopark sétány 1., V. emelet 5. ajtó
- or by fax: +36 (1) 464-7080
- online on our website in your Barion wallet: [www.barion.com](http://www.barion.com)

When submitting a complaint, you may choose to act through a proxy. In this case, the power of attorney granted to your proxy must comply with the requirements stipulated in Act III of 1952 on Civil Procedure.

Current and earlier versions of the Complaints Handling Policy can be downloaded from Barion's website.

## 3. Investigation of the complaint:

The investigation of the complaint is performed free of charge; naturally, we do not charge a separate fee for this. While complying with the provisions of the law, we thoroughly review all complaints, taking all related circumstances into consideration in order to determine the measures to be taken.

You may report a complaint at any time to our customer service staff, whether in person at our office, by telephone, online or in writing.

### 3.1. Verbal complaints (in person or by telephone):

Complaints submitted verbally are investigated immediately, and – where possible – remedied immediately.

Insofar as the complaint cannot be responded to and remedied immediately, or if you are not satisfied with the information you have received here, our customer service staff will make a written record of the complaint and of the

position of Barion Payment Inc. in this respect. You will receive one copy of this record on the spot, while the substantive response will be sent to you at the same time as you receive a telephonic response completing the procedure. In this case, we will send you a reasoned answer to your complaint within 30 days of its submission.

**Records of complaints must contain the following data:**

- a) your name, address, headquarters and postal address, if required,
- b) the place, time and manner in which the complaint was submitted,
- c) a detailed description of the complaint, including an itemized list all of the claims/objections forming part of the complaint, so that all of the aspects of the complaint can be thoroughly investigated,
- d) a list of the papers, documents or other evidentiary elements which you have presented,
- e) contract number connected with the complaint and, depending on the case, the user number,
- f) a statement by our company expressing our position with regards to the complaint, if you were not satisfied with our response to the complaint,
- g) the name of the person taking the record and your signature (except in the case of complaints made by telephone),
- h) place, date and time at which the record was compiled,
- i) in the case of a complaint submitted by telephone, a unique identifier code for the complaint (this code will be given to you when you submit the complaint).

In addition, we record all complaints submitted by telephone and keep these recordings for 1 year. On request, you may listen to these recordings within this time period. We will also place a certified transcript of the recording at your disposal free of charge if requested.

If you wish, you may make an appointment over the phone to meet in person. You will be offered an appointment time within five working days from your request.

## **3.2. Written complaint:**

In addition to the above, you may also put your complaint in writing and submit it to our office staff in person, or, using our contact information above, send it to us by post, fax or electronically.

In the case of written complaints, we will send a justified response within 30 calendar days of receipt of the complaint.

## **3.3. Complaints management procedure:**

Central complaints management operates in Sense/Net, where user complaints are handled by our staff in a professional and centralized manner. We keep electronic records of user complaints submitted.

Insofar as a complaint submitted at our office or over the telephone cannot be remedied immediately, or if you do not agree with the proposed remedy, or if you submit a complaint to us in writing, the complaint will be investigated and addressed through the centralized complaints management. We seek to investigate complaints and find a reassuring solution to them as soon as possible, and make every possible effort to this end.

If you do not send your written complaint to the complaints management organizational unit specified in the complaints handling policy, or if you submit a written complaint at our office to a staff member other than the designated complaints manager, the staff member who learns of the complaint shall promptly forward it to the employee who is in charge of handling complaints. If you make a complaint verbally to a staff member who is not the designated complaints management employee, this person will give you the contact information of the employee who will be handling your complaint.

Within 30 days of the receipt of your complaint, we shall inform you of the results of the investigation of your complaint and of our position in this regards (with justification). This shall be sent electronically in the case of complaints submitted electronically, or by post in all other cases.

Insofar as we require more information in order to investigate the complaint, we will promptly contact you for this purpose.

We keep all records of complaints received and their responses for three years, and disclose these records to the inspection authorities if requested.

#### **4. For purposes of handling complaints, Barion Payment Inc. may request the following data:**

- a) your name;
- b) contract number, user number;
- c) home address, business address, postal address;
